

CHAIN GANG

Starting with the word SWIM, can you fill in the blanks to work your way around to join with the word DANCING? We've given you all but two of the words you need. Each word will join with both the one before it and the one after it to form common terms. For example, FORT will combine with NIGHT, and this will in turn combine with MARE, so you have three links in the chain (via fortnight and nightmare). Can you link the words in the right order and work out the missing two?
